# PERFECT WARRANTY

## WHAT IS THE ASUS PERFECT WARRANTY?

The ASUS Perfect Warranty was born out of ASUS passion in providing premium service and the best after-sales support to all end-users. The ASUS Perfect Warranty combines (4) four types of warranty service designed to protect and maintain the excellent user experience. ASUS continuously strives to offer in all of its innovative products.

The ASUS Perfect Warranty is composed of the following warranty service, namely the ASUS Platinum Protection Warranty, the ASUS 2-Year Global Warranty, the ASUS and ROG Premium Care, and lastly the ASUS Commercial 3-Years International Warranty.

The ASUS Perfect Warranty is offered by ASUS to end-users who have purchased their laptop in ASUS / ROG Concept Stores or authorized resellers in the Philippines.

ASUS | ROG REPUBLIC OF GAMERS

ASUS ExpertBook

## PLATINUM PROTECTION WARRANTY

### WHAT IS THE ASUS PLATINUM PROTECTION WARRANTY?

*The ASUS Platinum Protection Warranty is a warranty coverage available to all new buyers starting January 1, 2020 of ASUS Consumer, Business and Gaming Laptops. The ASUS Platinum Protection Warranty covers ASUS laptops that are physically damaged within the 1st year of warranty, provided that the cause of damage is not explicitly mentioned in the warranty exclusions below. The ASUS Platinum Protection Warranty will cover 100% of the labor cost for the repair, as well as 80% of the parts replacement cost (end-user will shoulder 20% parts replacement cost).*

#### WHO CAN USE THE SERVICE?

Customers who purchased their ASUS Consumer, Business and Gaming Laptops starting January 1, 2020.

#### CONDITIONS

1. The ASUS Platinum Protection Warranty is available to all new buyers starting January 1, 2020 of all ASUS Consumer, Business and Gaming Laptops.
2. Accessories such as mouse, USB cables, etc. are not covered under the ASUS Platinum Protection Warranty.
3. The ASUS Platinum Protection Warranty can only be used within the Philippines, and must also be products purchased from authorized ASUS dealers in Philippines only.
4. The customer must bring the official receipt as proof of purchase to the ASUS Service Center to avail the ASUS Platinum Protection Warranty.
5. For more information, Customers can inquire via

#### ASUS CALL CENTER

Landline: (02) 7798-5700

Operating Hours: Monday to Friday 9AM-6PM

#### ASUS SERVICE CENTERS

<https://www.asus.com/ph/support/service-center/philippines>

#### HOW CAN THE SERVICE BE USED?

Customers must bring the official receipt as proof of purchase to an ASUS Service Center to avail the ASUS Platinum Protection Warranty.

#### INCLUSIONS

The ASUS Platinum Protection Warranty covers the events listed below.

1. Accidental Damage
2. Liquid Damage
3. Power Surge Damage
4. Acts of Nature Damage

#### EXCLUSIONS

The ASUS Platinum Protection Warranty does not cover the events listed below.

1. The installation of wrong program (or illegal program) by the customer
2. Lost or stolen product
3. The damage that the customer intentionally caused
4. Data lost during transfer, recovery or installation to the laptop
5. Accessories (Mouse, Cable, Bag)
6. Serial number is not recognizable
7. No Official Receipt to present

## IWEP Validation Procedure

The International Warranty Extension Package must be registered and activated online within 90 days of your ASUS Notebook purchase date. This package will expire if you have not registered it within the specified period and you will not be able to enjoy the package benefits. ASUS recommends that you register this package right after purchasing it.

To register and activate your ASUS IWEP, follow these steps:

### 1. Become an ASUS Member

Go to the ASUS Member website at <https://account.asus.com/> and sign up to become an ASUS member. If you are already an ASUS member, proceed to Step 2.

### 2. Register your product

Log in to the ASUS Member website at <https://account.asus.com/> and click on "Product Registration" from the left side menu. Please fill in the form with the relevant details of your notebook.

### 3. Activate International Warranty Extension Package Service

Click on "Warranty Extension Activation" on the left side menu and follow these instructions:

1. Select the registered product for which you have bought the International Warranty Extension Package.
2. On the online form, enter the Contract Code and Password obtained from the back of your ASUS IWEP VIP card. Click on "Submit" to finish the process.

### 4. Relax and Enjoy Your ASUS Notebook

Congratulations! You are now guaranteed of an excellent ASUS warranty service for your ASUS notebook. Remember to stick your ASUS IWEP Label next to the serial number at the back of your ASUS notebook and keep your VIP card in a safe place for future reference.

## ASUS ExpertBook

3 Years Global Carry-in Warranty

## ASUS ExpertPC

3 Years Local On-site Service Warranty

The ASUS Commercial 3-Years Warranty was developed to provide an enhanced range of solutions that go beyond the standard warranty to meet the needs of business-critical SMBs and enterprises.

The ASUS Commercial 3-Years Warranty is a warranty coverage available to ASUS Expert Series Business Laptops and Desktops. The warranty stipulates that any damage which occurs within the 3-year warranty period, provided that the cause of damage is not Customer Induced Damage (CID), the ASUS Commercial 3-Years Warranty will cover 100% of the Service Fee for the cost of the repair, as well as 100% of the Spare Parts replacement Cost.

Another special feature of this warranty is its Comprehensive Contact Center Support wherein clients have priority access to hardware and software experts. Businesses can also request On-site repair with expert technicians to minimize business risk on units experiencing technical problems.

# MyASUS

Your one-stop portal for  
ASUS software

MyASUS installer is available for download at Microsoft Store

\*\*Applicable to Windows 10 RS3 OS or later version.

MyASUS provides easy access to ASUS apps that are designed to help you maintain your system, update your software, optimize your PC performance, and contact ASUS for after-sales service and support. You can also access AppDeals for a huge range of popular app downloads and exclusive offers.

## Custome Service

Your Service Agent - Anytime, Aywhere

ASUS provides several aftersales service channels for your devices, including Customer Service in MyASUS on your PC, or the MyASUS Service Center mobile apps for phones. These allow you to easily register your products, contact our customer sevice representatives and receive instant help.

## Instant support and repair tracking

- ASUS Online Chat
- Nearest Service Center Map
- Online Repair Reservation
- Real-time Repair Status

## System Diagnosis

### Thorough PC check with just a click

When hardware problems are encountered, this pre-installed tool helps automatically identify potential sources of the issue.

- System Diagnosis
- Hardware Check
- Encountered Problem Check

## Hardware Settings

### Personalize your PC Experience

Get the very best out of your display with ASUS Splendid and ASUS Tru2Life Video technology. Optimize battery usage, cooling fan operation and network connection according to your preferences.

- ASUS Splendid / ASUS Tru2Life Video
- Charging mode / Fan mode
- WiFi roaming optimization / Keyboard hotkeys

## Link to MyASUS

### Seamlessly Integrate your PC and phone

The Link to MyASUS feature is a handy tool that's part of the MyASUS app\*. It seamlessly integrates your ASUS PC with your mobile devices, boosting your productivity and allowing easier multitasking. Leave your mobile device in your bag or on the desk, while still enjoying full phone functionality using your PC's mouse, keyboard, touchscreen and audio system.

#### Link to MyAsus Features.

- File URL Transfers
- Screen Mirroring
- Hands-free phone calls
- Screen Extender
- Remote File Access

\* Link to MyASUS is only supported on devices using processors later than Intel® 10th Generation and AMD® Ryzen 4000 series.

## MyASUS

### Benefits of MyASUS App

#### Product queries

- Buying a new laptop
- Available features

#### Common issues

- Hardware diagnostics
- Blue screen error
- Slow system

#### Warranty concerns

- Warranty extension
- Repair status
- Service center locations

#### Device optimization

- Tweak settings
- Improve performance
- Improve battery lifespan

#### Ecosystem integration

- Interaction with other ASUS devices (i.e. smartphone)

## Experience ultimate cross-screen productivity

ASUS ScreenPad™ Plus gives you on-the-go computing like you've never experienced before. It's a full-width secondary touchscreen that works seamlessly with the main 14-inch PANTONE® Validated display, giving you endless ways to optimize and personalize your workflow. A series of handy built-in apps also help boost your productivity.

Windows Hello. Password goodbye.

Windows Hello. Password goodbye.

ASUS ZenBook Duo ►►►

## Perfect ergonomics, for stylus or keyboard

With ZenBook Duo and any active stylus, you can really let your creativity flow. ScreenPad Plus supports stylus input, and it gives you a superbly ergonomic and stable platform for writing or drawing. Take notes, sketch out your ideas, or do graphical editing in the most intuitive way ever.

## PANTONE® Validated display

The FHD display on ZenBook Duo has a four-sided frameless design to upgrade your viewing experience. It's also PANTONE® Validated for professional-grade color accuracy, making it a superb all-rounder for work and entertainment.

## Powerful computing

ZenBook Duo is powered by up to a 10th Generation Intel® Core™ i7 processor, NVIDIA® GeForce® MX250 graphics, blisteringly fast storage and Intel Wi-Fi 6 with Gig+ (802.11ax). With the ultraportable ZenBook Duo, you can easily handle all the apps on your main screen and ScreenPad™ Plus, for a super-fluid cross-screen workflow.

# ASUS ZenBook 13/14

World's Thinnest 13" laptop with full I/O ports

13.3" 14" For Business Travelers | Young Professionals

## Timeless beauty, effortless portability

The beautiful new ZenBook 13 and 14 are more portable than ever. It's thinner, lighter, and incredibly compact, yet includes HDMI, Thunderbolt™ 3 USB-C®, USB Type-A and MicroSD card reader for unrivaled versatility. Built to deliver powerful performance, ZenBook 13 and 14 are your perfect choice for an effortless on-the-go lifestyle.

Windows Hello. Password goodbye.

Windows Hello. Password goodbye.

## Travel light, travel smart

The compact, thin and ultralight all-metal design of ZenBook 13 and 14 make it the ideal traveling companion. It's also the world's thinnest 13-inch and 14-inch laptops to feature a full set of I/O ports — including HDMI and USB Type-A — so you can enjoy versatile connectivity wherever you are.

## No charger? No problem!

With ZenBook 13 and 14's amazing 22-hour battery life, traveling without a charger isn't a big deal. When you do need to top up, its fast-charge feature can restore the battery to a 60% charge level in just 40 minutes, so you'll be ready to go in no time.

## Connect fast — anywhere

ZenBook 13 and 14 redefine what's possible in an ultrathin laptop to give you a full complement of I/O ports, including full-size HDMI and USB Type-A ports. The power of Thunderbolt™ 3 is also at your disposal, with two Thunderbolt™ 3 USB-C® ports that support fast charging, 4K UHD external displays and up to 40Gbps data transfers. For easy transfers of data from your mobile devices, there's also an microSD card reader.

## Bright, clear, power-efficient display

ZenBook 13 and 14 have a bright and clear four-sided NanoEdge display, with slim bezels that create an 90% screen-to-body ratio for a more immersive viewing experience. The low-power 1-watt display delivers an incredible 450 nits of brightness, while maximizing battery life.

# ASUS ZenBook 14/15

The World's Most Compact 14" and 15" Laptop, with ScreenPad™ 2.0

14" | 15.6" For Business travelers | Young Professionals

- NanoEdge 95% S/B ratio
- ScreenPad™ 2.0
- 3D IR camera for face login
- Super light, only 1.22kg
- NVIDIA GeForce MX250
- Up to 14-hour battery life
- Military grade quality

## The Intelligent touchpad, evolved

Powered by the new ScreenXpert software, ScreenPad™ 2.0 now has a larger 5.65-inch touchscreen that offers many new features and benefits. This interactive secondary screen enhances productivity, allowing for more efficient workflow. The revised smartphone like interface is more intuitive for improved ease of use. Third party developers can also use ASUS API to optimize their software and user experiences for ScreenPad. The hardware is now also more energy efficient than its predecessor, allowing for 2.5X longer battery life when ScreenPad is in use.

ASUS ZenBook 14/15 ►►

## The most compact design ever

ZenBook 13/14/15 heralds a new era of ultraportable design, with an ultracompact, ultralight chassis. Featuring the four-sided NanoEdge display, ZenBook 14/15 is one of the world's smallest 13", 14 and 15" laptop and is 12% smaller than the previous generation ZenBook 15 (UX530) — so you can explore your creative vision anywhere!

## Unbounded beauty

Designed to give you more screen area in less physical space, the NanoEdge design has slimmer bezels on all four sides to make any visuals more immersive, with less distraction for your eyes. It also features wide-view technology for clear images even when viewed from extreme angles. ZenBook 13/14/15 has a crisp, clear, up to 4K UHD resolution display that makes any visuals look their best, with wide viewing angles and vivid, accurate colors.

## Uncompromising performance

Designed to empower your creativity, ZenBook 14/15 doesn't sacrifice performance for size. It's built to give you all the raw power you need for effortless on-the-go computing. Featuring the 10th Gen Intel® Core™ processors, discrete graphics and a full complement of high-quality, high-performance components, ZenBook 14/15 will never keep you waiting. Whether you're creating complex documents, mining data, retouching photos, or editing videos, ZenBook 13/14/15 lets you do more — and do it quicker.

# ASUS VivoBook Gaming X571

Go beyond productivity and entertainment

15.6" For Younger Crowd

## Designed for productivity and entertainment

ASUS VivoBook Gaming X571 is powered by up to a 10th Generation Intel® Core™ i5 processor with up to 8GB RAM, and up to NVIDIA® GeForce® GTX 1650 graphics. It's perfect for daily computing and entertainment, including light gaming, and video editing.

**Core i5**  
Processor

**GTX 1650**  
Graphics

So much power. So many possibilities.

So much power. So many possibilities.

ASUS VivoBook Gaming X571 ►►►

## Lightning fast data performance

ASUS VivoBook Gaming X571 features a 512GB PCIe SSD with optional Intel Optane™ memory for 35% faster data access speeds. Alternatively, a dual-storage option provides the best of both worlds – the blistering data speeds of a 512GB SSD. Install apps on the SSD for superfast response times, and use the HDD to house large files such as movies, music libraries, and photo albums.

## Less heat, more power

Heat is the enemy of performance. ASUS VivoBook Gaming X571 stays cool at all times with its highly efficient dual-fan cooling system that incorporates two heat pipes. Even though ASUS VivoBook Gaming X571 is more powerful than ever, this advanced cooling design ensures that it stays cool for maximum performance, anytime and anywhere.

## Extreme immersion on an ultrafast display

The new NanoEdge design has an even thinner 7.4mm side bezel for extreme immersion in a much more compact package. A 100% sRGB color gamut and wide-view angles ensure vivid and consistent colors, even when you're viewing it from extreme positions.

## Immersive Harman Kardon audio

To create the next generation of ASUS SonicMaster audio technology, the ASUS Golden Ear team worked with renowned home and automotive audio experts Harman Kardon. The results are astonishing. A tailored mix of superior hardware – including smart amplifier technology that delivers louder sound with no distortion – and cleverly designed software ensure that ASUS VivoBook Gaming X571 gives you the ultimate audio experience.

# ASUS Laptop X409 / X509

Experience the power of an everyday classic

14<sup>4</sup> 15.6<sup>5</sup> For Younger Crowd

## Get a wider view of the world

The NanoEdge display gives ASUS X409/X509 a vast screen area for an immersive viewing experience for work and play. Its wide-view FHD panel features an anti-glare coating to reduce unwanted distractions from irritating glare and reflections, so you can truly focus on what's in front of you.

7mm  
Thin bezel

Screen to body ratio

Windows Hello. Password goodbye.

Windows Hello. Password goodbye.

## Fast and efficient

ASUS X409/X509 ensure everyday tasks are handled with ease. They are powered by up to 10th Generation Intel Core i7 processors with NVIDIA GeForce MX330 discrete graphics. The dual storage design features up to a 512GB SSD and 1TB HDD, with optional Intel Optane™ memory technology.

## Empower your dynamic lifestyle!

With an overall weight of just 1.8kg\*, the extremely portable ASUS X409/X509 is the lightweight laptop that keeps up with your fast-paced lifestyle. It looks good, too, with its Transparent Silver or Slate Grey finish.

## Reinforced chassis for your durability

X409/X509 feature the metal brace underneath the keyboard that provides a stable platform for a much more comfortable typing and touchpad experience. Besides the structural rigidity, perpendicular braces along the edge of the chassis work like side impact protection beams in automobiles to protect the hinge joint and internal components. The sides of the lid are reinforced and work like side-impact protection beams in automobiles.

## EAR HDD protection

The HDD features E A R™ HDD shock dampening protection is designed to protect your data from physical impact. Laptop HDDs are generally more susceptible to physical damage compared to SSDs. This active hard-drive protection feature automatically detects shock and vibration across all three axes to effectively reduce the chances of HDD damage, so you can work without worry, even in a moving vehicle.

# ASUS Laptop E210

Move with Style

11.6" For Students

- 1.05kg Light
- Compact Size
- NumberPad
- Up to 12hrs Battery Life
- 180° Hinge
- USB Type-C
- Backlit Keyboard

## Move with style

Life is all about finding the right balance, and the ASUS E210 laptop delivers just that. Lightweight and compact, it fits right in with your dynamic, on-the-go lifestyle. Its lid is available in Dreamy White, Peacock Blue, Rose Gold and features the unique ASUS motif, and these aesthetics are further complemented by a color-blocked Enter key with yellow edges and text. Designed for daily computing and productivity tasks, and boasting innovative features such as ASUS NumberPad, an all-day battery and 180° lay-flat hinge, ASUS E210 gives you everything you need for work or play.

Windows Hello. Password goodbye.

Windows Hello. Password goodbye.

## See the difference

ASUS E210 has a youthful vibe that sets it apart. The lid is detailed with modern slashes that are accompanied by a unique motif made up of a deconstructed ASUS badge. The bold look continues inside, where a bright yellow Enterkey takes center stage. It's something never seen before in laptop design.

## Get it done, anywhere

With the compact and lightweight ASUS E210, productivity is always within reach. It easily slips into your backpack or small bag so you can get schoolwork done or create content wherever you are.

1.05kg  
light

## Go for your goals

With Windows 10 Home, up to a quad-core Intel processor, and up to 512GB PCIe SSD, ASUS E210 is well-equipped to help you achieve your goals. With ASUS E210, you can leave the heavy power adaptor at home. Its 12hrs battery life gives you the flexibility to work or play anywhere.

## Enhanced productivity

The new ASUS NumberPad makes number-crunching a whole lot easier. Everything you need from a physical keypad is printed on the touchpad, simply tap the icon to turn it on. A cleverly designed 180° lay-flat hinge makes it easy to share content or collaborate with friends. The fanless design keeps noise levels down, so you won't be distracted when working on a spreadsheet or watching a movie.
